Help shape the future of San Joaquin County Parks

San Joaquin County is creating a Parks System Plan and wants to hear from you! Join us to share your ideas and help shape future parks, trails, recreation, open spaces, and the Micke Grove Zoo.

What is a Parks System Plan?

A Parks System Plan is a long-range guide that helps San Joaquin County prioritize improvements, maintenance, and future investments in parks, open spaces, recreation, trails, and the Micke Grove Zoo over the **next 10 years**. Community input will help shape the plan and guide future decisions.

Community Workshop #2

Tuesday, August 18

6:00-8:00 p.m. at Kennedy Park Community Center
2800 South D Street, Stockton, CA 95206

Share your ideas about:

- Parks and facility improvements
- Walking, hiking, and biking trails
- Recreation programs and amenities
- Waterways and outdoor recreation
- Nature, conservation, and open spaces
- Priorities for future park investments
